Mercedes-Benz

When it comes to your Mercedes-Benz, beauty is definitely more than skin deep. Its unique nano technology paintwork offers significantly greater scratch resistance and improved gloss than conventional paint. But even advanced paintwork such as this needs constant grooming and upkeep. Which is why we have a range of grooming programs and packages to keep your Mercedes-Benz clean and gleaming, the way it was when you first owned it.

Star Wax

A Quick Rejuvenation Solution

Time is always an essence to any busy individual. Maintaining your Mercedes-Benz should not be taking any more of your precious time. The Star Wax Quick Rejuvenation Program gives your car an instant shine without any unnecessary long waits.

The 11-step Rejuvenation Program

- Shampoo and thorough manual wash of all areas and gaps
- Clay bar to remove surface contaminants
- Removal of polishing/glaze residual compounds
- Thorough removal of stubborn tar and grime from painted surfaces
- Application of hi-gloss wax for enhanced shine
- Thorough cleaning of the windscreen and windows
- Thorough cleaning of the front and rear lights
- Rim wash and rim detailing
- Tyre wash and tyre dressing
- Vacuum and clean all carpets
- Vacuum and clean the interior boot
